

Trade-in Qualifying Equipment
 from Brands such as:

And MORE

For a limited time, you can trade in qualifying Trimble and competitive equipment to get up to a \$5,000 discount off Trimble list prices on activation licenses for new GFX-1060™ and GFX-1260™ displays and a NAV-900 guidance controller.

It's time to clean out your used devices and upgrade to Trimble's newest and most state-of-the-art technologies. The GFX-1060 & GFX-1260 have faster processing, greater memory and more storage capacity, these robust displays makes handling even the most complex farm operations easy.

Program key advantages:

- **Updated configurations**
 Options for EZ Pilot Pro or Basic to High accuracy unlocks. Plus all SP's now include the Data level of Trimble Ag Software and display connections for one year free of charge.
- **Multiple trade in value levels**
 Different levels to multiple trade-in options and combinations to cover most farmer's scenarios.

THIS PROGRAM ENDS MAY 24, 2024.
